Project Description

Rapid City Community Health Center Outreach Program is a 330 project of the Rapid City Community Health Center, Inc. The Outreach Program's main office is located at the Cornerstone Rescue Mission with Outreach sites at the mission, as well as Working Against Violence Shelter, Pennington County Community Action Project, and Salvation Army.

Services

Primary health care services are provided at all sites. The sites are staffed by a full-time CNP, medical assistant, and case manager. Substance abuse counseling is provided in conjunction with Pennington County Alcohol and Substance Abuse Center. Additional service needs are met through referral to the main site of Rapid City Community Health Center and other agencies.

Linkages

HCH refers to private and public agencies whenever services aren't available in the clinic.
