Instructions for the SF-424A

When completing the SF-424A: Budget Information Form:

- In Section A, Budget Summary, enter the budget on separate rows for each population type (CHC, MHC, HCH, PHPC) for which you are requesting funding. The federal amount refers to only the NAP funding requested, not all federal funding that you receive. Estimated Unobligated Funds are not applicable for this NOFO.
- In Section A and B, enter only the federal NAP funding requested in the Federal columns.
- In Section B, Budget Categories, enter an object class category (line item) budget for Year
 The amounts for each category in the federal and nonfederal columns, as well as the totals, should align with the Budget Narrative.
- In Year 1 only, up to \$150,000 may be requested for equipment (enter on the Equipment row in Section B) and/or minor alteration/renovation (enter on the Construction row in Section B). The SF-424A is the official budget request. If a NAP grant is awarded, the maximum amount of one-time funding HRSA will award is the amount indicated on the SF-424A. The one-time funding information entered on Form 1B: BPHC Funding Request Summary must be consistent with the request on the SF-424A.
- In Section C, when providing Non-Federal Resources by funding source, include non-NAP federal funds supporting the proposed project in the "other" category. Program Income must be consistent with the Total Program Income (patient service revenue) presented on Form 3: Income Analysis.
- In Section E, provide the federal funds requested for Year 2 in the First column, entered on separate rows for each proposed type of Health Center Program funding (CHC, MHC, HCH, and/or PHPC). The maximum amount that may be requested cannot exceed \$650,000. The Second, Third, and Fourth columns must remain \$0.
